ASSURED INSURANCE

2nd Timothy 3:14-15

But continue thou in the things which thou has learned and has been assured of, knowing of whom thou has learned them; And that from a child thou has known the holy scriptures, which are able to make thee wise unto salvation through faith which is in Christ Jesus.

Assured—Certain, guaranteed

Insurance—The act of insuring or state of being insured. A contract binding a company to security against damage or lost.

Timothy was one of the first second-generation Christians; he became a Christian not because an evangelist preached a powerful sermon, but because his mother and grandmother taught him the holy scriptures when he was a small child. They did as the bible has taught us, "Train up a child in the way that he should go: and when he is old, he will not depart from it." It may seem at times that our children aren't listening, but keep teaching them moral and godly discipline, when it's needed, what they have been taught will begin to manifest.

The Apostle Paul was counseling Timothy because of false teachings that had surrounded him by spiritual leaders. Timothy was informed to hold to the basic teachings about Jesus, not to sway from what he had been taught by his mother, grandmother, and spiritual leaders. We too, like Timothy have been surrounded by false

doctrine – by television, radio, websites, and in some churches.

Many are composing teaching sermons that will make the people feel good or so intellectual, it's man's doctrine rather than the doctrine of the Holy scriptures. Many times when the scriptures are taught it will make us say "ouch", because none of us have fully arrived. Every time we read the word of God, we can find ourselves lacking in an area we need to come up in. Teaching will give us revelation whereas preaching makes us feel good and motivate faith.

If taught incorrectly it can make us miss out on our inheritance as Christians as well as lead us away from the doctrine of Jesus Christ. That is why it is so important that we know for ourselves the spirit of the individual that's overseeing our soul. If we're being fed the minimum of David and Goliath, or Daniel and the three Hebrew boys, we will not know what to do when the trials come as big as Goliath or when the trials are as hot as the furnace the Hebrews boys were in. We need to know with assurance no enemy or trial can defeat the purpose and plan that God has for our lives, but in order to receive these benefits and the power to conquer, we must follow the instructions of the manual. There are different types of insurance such as homeowner, apartment, accidental, workmen compensation, health, and burial. Each one of these insurance has a manual, and in order to receive the benefits of the policy, we must read and know what's covered and what

is not. In order to keep the insurance active, we must pay a premium.

Usually we try to keep up with our insurance premium to be assured that we or our love ones will be taken care of properly. It's good to have insurance, but the best insurance policy anyone can have is spiritual insurance. Spiritual insurance covers both life and death. Your family is covered as well as your job, home, bank account, car, and physical health. Spiritual insurance covers everything that pertains to you.

In order for the benefits to become effective, we must accept Jesus as our Lord. To receive the benefits we must know what's in the manual then act accordingly to what we have read. God has instructed us to serve Him in the beauty of holiness. Holiness is a dedication and separation of oneself to the Lord. It's living according to the instructions He has set forth for us to follow. Just like with natural insurance, if the owner doesn't follow the instructions of the policy they will forfeit the benefits. Well it's the same way with spiritual insurance. If we reject the instructions, our benefits will be forfeited and we will be assured to be hell-bound just as we are assured to be with the Lord for eternity when we follow the policy instructions.

It's our responsibility to learn the benefits, receive the benefits in life, and redeem them on the day of death.

ASSURED INSURANCE

According to God's divine power He has given unto us all things that pertain to life and godliness, through the knowledge of Him that hath called us to glory and virtue. This comes with the benefit package. He has promised us power after the Holy Ghost has come upon us, we shall be witnesses of His power indwelling our mortal bodies.

God has given us an inner-witness that whatever may be going on in our life, God is big enough, great enough, and powerful enough to bring us out having the victory. Some of the things the saints go through, if it had happened to the unbeliever, they would have went crazy, became an alcoholic or a drug user. Some have taken their life because they weren't able to remain sane because of the pressure, but God has given us an Assured Insurance policy that we're overcomers.

We must know and understand the insurance manual in order to receive the benefit of the policy. God loads us with daily benefits. He watches over us twenty-four hours, seven days a week. He has His angels encamped around about us. He opens doors men tried to close. He takes a little and makes it much. He becomes our judge when we need Him to be our defender. He closes ditches people have made for us. He keeps our mind sane when spiritual attacks comes against our mind. He heals diseases without chemotherapy. He can replace a bad organ with a new one without having a transplant, He can give a blood transfusion without the administering of a machine. He can resurrect a dead marriage, bring a wayward child back home, place truth in us where there were lies, and faith where there was doubt. He can restore years we lost doing nothing and give us the time to accomplish what He has ordained us to do. All this comes with the insurance benefits. God is not a man that He should lie, neither the son of man that He

has to repent. His mouth has created what His mouth has spoken. Everything we need He has already supplied it, we just have to know how to access it! God works in the impossible, what is impossible with man is possible with God. He assures us that no weapon formed against us shall prosper. He rebukes the devourer of sickness, disease, poverty, lack, and need when we abide in His word and His word abides in us.

Every Red Sea that comes in our life, He gives us an open path to walk through, every bondage Satan tries to place upon us or our children, God will bring deliverance if we keep the faith and live according to His word. When God delivered the children of Israel out of Egypt, God told Moses to tell the children of Israel to strike (apply) the blood to the lintel (top of door) and the two side posts, so that the destroyer wouldn't come into their home. When we accept Jesus as our Lord, we have applied the blood of Jesus to the door post of our hearts, God will watch over our children as we pray to keep a shield of protection around them. We have a covenant with God and when we pray, He hears our prayers. Satan fights against us to try to make us doubt God. Satan knows it is impossible to please God without faith. Jesus Himself said, "What things soever ye desire, when ye pray, believe that ye have receive them, and ye shall have them." God wants us to prosper in our spirit, soul, mind, body, marriage, finance, marriage, business, and all things that pertain to us!

God is the God of more than enough, the cattle on the hillside belongs to Him, the gold and silver belongs to Him, and because we're His children, what is His belongs to us! We must bring it from the spirit to the natural.

God is our blesseth assurance. He's our refuge in the time of a storm. He's our fortify, He strengthens us in our weakness, places a hedge of protection around us when the adversary throws his darts, digging ditches, or placing traps. God opens doors that man cannot open and He closes doors that need to be closed and man cannot open them.

God will give us a will when we have lost our will. He will give us hope when we see no hope. Life when death tries to knock on our door. God is our Assured Insurance. He's our counselor in a bad marriage, antidote when we have been poisoned by the things we hear and see. Energizer when life's trials have drain us mentally, emotionally, and physically. He's our peace when trouble is on every side. He gives promotion in the natural and in the spirit when no one else thinks you should have it.

God protects us from danger seen and unseen. God will remove the hurt, but yet the memory will still be there. God can help us to love the very ones that have wronged and mistreated us. With the mind of God we don't think about what they did or what they said, because we have the mind of Christ and the heart of God, this comes with the insurance policy of eternal life by Christ Jesus.

God will listen when no one else will. God will not only listen, but He will move in your behalf once He has listened, are you talking to Him?

No matter how dead one's marriage may be, God can resurrected it from the dead. If you're saved and your spouse isn't, God has promised us through

ASSURED INSURANCE

His servant, the Apostle Paul, that the unbelieving spouse is sanctified by the one that believes. Whereas our children were unclean, now they are holy by the one that believes and has taken Jesus as their Lord and Savior. See many times we want Jesus to just be our savior. Save our marriage, save our job, save us from sickness, save us from poverty, and He will do all this and more when we **FIRST SEEK THE KINGDOM OF GOD AND HIS RIGHTEOUSNESS, AND ALL THESE THINGS SHALL BE ADDED UNTO YOU.**

When we accept God as our Father, and Jesus as our Lord and Savior, we receive a spiritual contract that cannot be forfeited unless we break the covenant. God is not a man that he should lie, neither the son of man that He has to repent: hath He said, and shall He not do it?

Want peace in your mind, welcome Jesus to be Lord. Need protection, let Jesus be Lord, and He will give you more protection than any security system can ever give you. Need a friend, He's a friend that will stick closer to you than a brother!

God can heal a troubled mind, He can regulate the thoughts more than any medication. God will heal the broken heart and wounded spirit. He can comfort any wearied spirit. All this comes under the umbrella of Assured Insurance when we have Jesus as Lord, we sign on the dotted line in the spirit saying **Thy will be done.**

God has given the believer a seal that says we belong to Him. In Him you also trusted when you heard the word of truth, the gospel of your salvation in Him when you believed were sealed with the Holy Spirit of promise.

In biblical times a seal denoted both identification of ownership and protections provided by the owner. We don't own ourselves, but we belong

to God and He will provide and take care of His own. When we believe it's a spiritual birth, once we receive the spiritual birth, we are candidates for receiving the Holy Spirit. The Holy Spirit is nothing we can work for or is due to us, but it's a gift that God gives us.

Luke 11:13

If ye then, being evil, know how to give good gifts, unto your children, how much more shall your heavenly Father give the Holy Spirit to them that ask him?

The Holy Spirit is what makes us one with the Father and Son. It's the Holy Spirit that assist us to worship the Father in spirit and in truth. It's the Holy Spirit that assist us to pray directly in a language to the Father. Although our understanding will be unfruitful, but our spirit knows what we're praying. The Holy Spirit checks us when our conduct is not up to part. He assist us to submit to the Father. He gives us revelation both for the natural and spiritual. All this comes with an Assured Insurance.

Need to be build up spiritually, start praying in the Holy Spirit. It will edify you as well as build your faith. God has given us all that we need, but in order to receive it, we must submit to Him to have ownership of our lives, then will we begin to receive the insurance benefits. The policy starts the day we confess with our mouth the Lord Jesus and believe in our hearts that God has raised Him from the dead, for with the heart man believeth unto righteousness, and with the mouth confession is made unto salvation. Receiving of the Holy Spirit seals us unto the day of redemption!
