

WELCOME

Welcome to Woman to Woman. It is my prayer that Woman to Woman will be a blessing and encouragement to women of all nationalities. Whether single, married, young, middle age or elderly, we all have something in common and that is our emotions. Women have a very important role in the lives of others. We have been created to love and care for others. Teacher has been placed in us from a child. It's just our character to try to make everything better. We're so in tune with everyone's needs until we forget about our needs.

Every now and then we need to be pampered by others as well as learn how to pamper ourselves. Although our mother's birth us, they couldn't give us the breath of life. It's time we take a deep breathe and enjoy the life God has given us. Too many times we believe the report of Satan rather than believing the report of God. God's thoughts towards you are good, not evil, but thoughts of peace, to bring you to an expected end. It's not about what people have told you, you wouldn't be or can't be. With God on your side there is nothing

TAKE A COFFEE BREAK AND ENJOY LIFE!

In order to accomplish your goals, you have to believe in yourself. The Bible teaches us what a person thinks in his heart so is he. We have to begin to think of ourselves as queens and princesses, and as we do so, we will begin to act out what we believe, and people will treat us the way we're acting.

Too many times we're waiting for someone to encourage us, but we must become like David and encourage ourselves. Study the word of God and know who you are in Him. Without Him, we can't do anything, but in Him, we can do everything we desire to accomplish, if we let Him lead and guide us. Everything we need comes from God, He is our Resource to the source. Forget about what people did or what they didn't do, focus on enjoying life as God has given to you. We only have one life, don't let nothing stop you from reaching your goal!

You are God's child—A woman that has been created in the image of God!

Don't let your past stop you from entering into your future, into your wealthy place. A wealthy place is not always about money. A wealthy place is peace of mind when every

thing around you is falling apart. No matter what's happening in your life, you know that with God and you, everything is going to work out alright; because all

things work together for the good to them that love God, to them who are the called according to His purpose. You may not be a believer, but because God is God, He will

bless the unbeliever just as He will the believer. God loves each one of us, He doesn't like the sin we're in, but He loves us and He's waiting for you to ask for His help.

PAIN OF THE PAST

We can't re-do our past, but with God's help, we do have a say so about our future. Sometimes as Christians, we don't want to access professional help such as a counselor. Godly counseling can assist you through the Word of God to move into your future. Secondly, rehearsing painful events doesn't help matters, but draw you more into depression and hopelessness. You may think well, if there is a God, why did He let this happened to me? Although God is in control of everything, when He gave the earth

If we let our past continue to dictate to us, we will never be free from our past. Release the people, the situations and circumstances to God, let God deal with them. Choose to forgive them, choose to live a life free of depression, and self-pity. After the hurt, comes anger, then self-pity. Speak the word of God over your life and live!

LET GOD DRY YOUR WEEPING EYES

Too many times we look for other people to comfort us, and there is nothing wrong with having someone to comfort you, but there is no one that can comfort you or understand you the way the Lord does. You can talk to Him about anything and if you keep talking, He will begin to talk back to you. Although God already knows what's going on,

by you talking to Him about the situation, gives Him the opportunity to work in your behalf. It's building a relationship with a true friend, A friend that will be there with you until the end. He will turn the tears to joy, and he will do it before you get to heaven. The Lord will give you unspeakable joy here

on earth while the mess is still in your life. Let Jesus wipe the tears!

PRAISE THE LORD BEFORE YOUR BREAKTHROUGH IS MANIFESTED!

GET RID OF THE BAGGAGE

We all have some baggage we need to get rid of. The baggage that keeps you hurt, depressed, worried, angry, and confused. Make up your mind that this year will be different, you're not holding on to the baggage anymore, you've decided to let go the baggage and begin to enjoy life, the life God has given you.

Accomplish your dreams, know that you can do all things through Christ who strengthen you!

Dreams do come true, but you have a part to play in making your dream come true. Decide what you want to do, ask God's blessings upon your dream, and begin to work on it, and watch God assist you in making your dream a reality!
