

## JOY AND HAPPINESS

Happiness is what every woman looks for. Some find it in education, employment, marriage and children. God has blessed us to take pleasure in the things that makes us happy, but He wants us to have Joy!

Happiness differs from joy. Happiness is temporary, it can be changed with one word or a situation. Joy is something that you continually have no matter what's going on, there will be a delight in your spirit, heart and mind.

People and things can give us happiness, but only God can give us joy. In life we will have many

trials and tribulations whether we are believers or unbelievers. In order to sustain our sanity we must be connected with someone that is more powerful than what we're going through and His name is Jesus. In the midst of the storm the joy of the Lord will be in you to send forth a praise, because you will have confidence in the Lord and not the situation or circumstance you're in.

Sister's there is nothing you're going through that God does not see, but as you go through God wants to hear from you in prayer and praise. Some of the things we go through, we

can praise our way into the presence of God that whatever is going on in our life, we will have the peace of God that surpasses all human understanding.

God didn't tell us there wouldn't be trials, sorrow and tribulations in our lives, but He did tell us that we are more than conquerors through our Savior, Jesus Christ.

You can do all things through Christ who strengthens you. It's the Grace and Mercy of God that assist us to accomplish all the things we have accomplished. It was not of our own doing, but it was God's love and mercy that helped us.

God loves you with an everlasting love. He has written your name in the palm of His hands. He will not withhold anything good from them that walk up rightly before Him! Joy is in God, it's not in people and things!

## SUCCESS COMES BY NEVER GIVING UP

No matter how many times you may have failed in an area, never give up. A successful person is one that never loses their dream, never gives up, they never let the word I

can't come to mind or out of their mouth. I can't is a word that should be banished from our vocabulary. You were not made to be average. You were made to

excel, naturally, spiritually, mentally, emotionally, financially, relationally, educationally in every area of your life, Jesus came that you may have life and have it

more abundantly. Whatever you have a desire to do, place your dream before God, ask Him to place His favor upon it, When He blesses you, never forget who blessed you!

# In Order To Be Successful

## GET RID OF FALE PHYSICIANS

- False prophets, pastors, and ministers.
- People who pretend to be with you, but are against you.
- People that can't encourage you but discourage.
- People that brings the worst out of you rather than the best out of you.
- Stay away from negative people.

## SELF MOTIVATION.

- Depend on God and yourself and not others.
- Have determination.
- Encourage yourself to make it.
- Talk to yourself, confess the blessings of God in your life.
- Read the word of God and believe what it says.

- Press through the problem, knowing that God is on your side. You can't lose with Him being with you.
- Let nothing or anyone stop you from being successful spiritually and naturally.
- Determine what you want out of life and go for it.
- Pray, fast, read and study the word of God and believe God will enable you to do what you desire to do.

## Go to God with Purpose

Don't go to God only when you're hurt or in trouble. Make a decision to read God's word on a daily basis. Ask God to help you to live according to His word.

Desire to grow spiritually in God because that is the only thing that will last. Everything in our life will one day pass away, but when we have God in us, and we're in Him

we can expect God to provide and give us our hearts desire when we have given Him our hearts.

Don't go to God asking for the heads of your enemies, but pray for them and ask God to bless them. Ask God to help you see through the eyes of God and to have the heart of God. Life is more than materialistic things. When we have

the Spirit of God living in us there is nothing we can't accomplish, but we must first make God our God and not just someone we go to when we feel we have been mistreated, hurt or in need. God wants to enlarge your territory and it's not materialistic. He wants you to be strong to conquer anything that comes or goes on in your life!

## Know Who You Are In God

God didn't make you to look down on yourself. God created a lovely being. When God talks of wisdom and knowledge, He always refers to them as she. God has given you natural wisdom and knowledge and He will also give you spiritual knowledge and wisdom if you seek for it. Satan uses people to try to detour you from what God has for

you. When we listen to what people say about us negatively, we will never receive the blessings God has for us because we're focus on what people said rather than what God said! God has promised us "No good thing will He withhold from them that walk up rightly before Him". If you're walking up rightly before Him, know that sooner or later your

day is coming. Wait on the Lord and be of good courage! Your breakthrough is coming, your desires are coming, your spouse is coming, your business is coming, your ministry is coming, wait on the Lord and receive His best in your life!
