## God Is Awesome!

### **Psalm 107:8**

**Oh that men would praise the Lord for his goodness (loving-kindness), and for his wonderful works to the children of men!**

Awesome is a word we use for something we saw, heard or our accomplishments. How we describe people and things. Believers use the word just as frequently as the unbeliever without realizing what we're praising. As believers, we should be careful of words we use.

There is nothing wrong with giving compliments, and praises as long as we don't give someone or something more reverence than we do God.

We say music, entertainers, singers, athlete's, movies, plays, etc are awesome, but you hardly ever hear someone say God is Awesome!

**Awesome—Inspiring awe, wonderful, impressive.**

**Inspiring—To motivate as by divine influence, to arouse a thought or feeling in someone.**

**Wonderful—Something that causes a wonder, marvelous, excellent, fine.**

**Impressive—Tending to impress the mind or emotions.**

People and things can impress us to either do right or do wrong. What we listen to can arouse our thoughts and feelings, but what we're listening or looking at inspiring us naturally or spiritually?

Praise for Christians should be automatic, we shouldn't need to be pumped in order for us to praise God. When you think of His faithfulness, that's enough to praise Him.

When I think about the word Awesome, I don't think about something or someone, but I think of God, the one that can speak a word and your entire life will change in a moment of time. A divine being that can go into the inner most part of our being, a place where no one can go but God and begin to create goodness, righteousness, holiness. A peace that can surpass all human understanding. A sense of joy that no one can really explain. Jesus can make you cry, but you're not sad, it's tears of joy!

He's the God that creates miracles. A miracle is something created by God and no one can give an explanation of how it happened. An example of a miracle is this, say for instance, you don't have a kidney, since you don't have a kidney, you wouldn't need healing for a kidney, but say a kidney appears in your body, that would be called a miracle as well as Awesome!

Isn't it amazing how we can praise people and things, but we can't praise God the same way? The one we usually seek for His present and not His presence.

God can do for us what no one else can. He's God all by Himself and no one or nothing can compare to Him! We admonish people and things much more than we do the Person that created the things and people.

Let's look at the word Awesome and see the Awesomeness of God.

A—Alpha and Omega

W—Word became flesh

E—Emmanuel

S—Savior

O—Omnipresent

M—Miracle

E—El Elyon

**Alpha and Omega** - The beginning and the end, this is what Jesus called Himself when He gave John the Revelation of events to come. The beginning of our life is when we actually accept Jesus as our Lord and Savior. He's with us through whatever we go through, He will never leave or forsake us, He will be with us until the end of our life.

### **Psalm 48:14**

**For this God is our God for ever and ever: he will be our guide even unto death.**

There is nowhere we can go and God is not there. A car, songs, entertainers, movies cannot do this, but yet many times we use the word Awesome for them.

**Word became flesh**—In the beginning was the Word and the Word was with God, and the Word was God. Jesus came to earth to redeem man back to the Father. God loved us so much He gave His Son in order for us to have life and to have life more abundantly.

## GOD IS AWESOME

Jesus was with God in the beginning. God wasn't talking to the angels when He said let us make man in our image. The Bible does not say the angels are made in the image of God, but man is created in the image of God, Awesome!

God overshadowed a young girl by the name of Mary, and she became pregnant, she wasn't physical touched by man, she was a virgin, but yet she was pregnant with Jesus, now that's Awesome!

Jesus left the Father and took on human form to reconcile us back to the Father. Jesus is the only one that gave His life and then had power to resurrect Himself.

### **John 10:18**

**No man taketh it from me but I lay it down of myself. I have power to lay it down and I have power to take it again. This commandment I have received of my Father.**

Jesus volunteered His life in order for us to have life. Then He had the power to resurrect Himself from the dead, God, the Father had given Him that power, now that's Awesome!

**E**mmanuel (God with us) It implies God will come to dwell among His people, which He did in the person of Jesus Christ. As a born-again believer, know that God's eyes are always on you. There's nothing going on in your life that God is not aware of. God is greater than anything or anyone that would try to come against you. Being born-again also indicates because the Greater one lives within you, you can do all things through Christ who will strengthen you to do whatever needs to be done. He will give you the wisdom, knowledge and the physical strength you need.

He's the one that will supply all of your needs according to His riches and glory.

**S**avior—There is only one Savior, the man Jesus Christ. There is one Lord, one faith and one baptism. Salvation is not about denomination, whatever your faith is, it has to be in Jesus, the Christ of God. It's not about religion, it's about being born-again of the Spirit of God and we can only do that by accepting Jesus as the Son of God through faith and receiving of His Spirit.

### **Acts 4:12**

**Neither is there salvation in any other: for there is none other name under heaven given among men, whereby we must be saved.**

No other name can one be saved by, but by faith in Jesus that He is the Son of God. Mohammed, Buddha, Mary, Confucius, Tao or any other person can't save, they needed Jesus just as you and I need Him.

Jesus is concerned about your well-being, He's concerned about you and your family. What concerns you, concerns Him, that's Awesome!

Whatever you maybe going through and you may feel as though you're alone, know that Jesus is praying for you! Jesus is sitting on the right hand side of the Father making intercessions on your behalf. If no one else is praying for you, know that Jesus is praying for you!

**O**mnipresent—God is present in all places at the same time. He can hear your prayers while others are praying. He can be at your home while giving a visitation at someone else home.

There is no where you can go and God will not be there unless you're practicing an ungodly lifestyle. He's not going to be at the nightclub, secular concerts, casino, drug house, house of prostitution. He's not going to be at the church where there is envy, jealousy, rebellion, no mercy, no love, no prayer. Although God will not be there, His eyes are in every place beholding the good and the evil.

### **Proverbs 15:3**

**The eyes of the Lord are in every place, beholding the evil and the good.**

**M**iracle—Jesus was a miracle, He was born by a virgin that had no physical contact with man. He's the Son of the invisible God. He came to earth to reconcile us back to the Father. He came to earth, to show the power of heaven on earth. God loved us so much, He gave His Son's life for His enemy in order for us to have life. We was God's enemy prior to excepting Jesus.

Jesus healed the lady that had an issue of blood for twelve years, and He can heal your issue no matter what it may be. Just as He healed Jarius's daughter and resurrected her from the dead, He can resurrect what has been dead in your life. He healed the lady that had an infirmity for eighteen years, bowed down and couldn't lift herself. Just as Jesus freed her from the bondage of Satan, He can free you from whatever bondage that has you bound. Jesus healed the man who had an infirmity and was laying at the pool for thirty-eight years. No matter how long you've been laying in your sin, wanting to get up, but can't, Jesus can set you free. Who the Son set free is free!

## GOD IS AWESOME

**E**l Elyon—The Most High God—the possessor of heaven and earth, Sovereign, Omnipresent, Omniscient, Omnipotent, Alpha an Omega!

There are many gods in the world, matter of fact, God said Satan is the god of this world, but God is the God of all gods, He's the God that created the universe, the God that breath life into man and he became a living soul. The God that parted the Red Sea, the God that took a rib out of man and made a woman. The God that made the Sun stand still. The God that took two fishes and five loads of bread and fed five thousands is the Most High God, all the other gods is subject to Him!

God is the possessor of heaven and earth. Heaven is His throne and earth is His footstool.

### **Isaiah 66:1**

**Thus saith the Lord, the heaven is my throne, and the earth is my footstool: where is the house that ye build unto me? and where is the place of my rest?**

Satan has been given the earth for a time and season, once his season is up he will no longer be able to rule, in fact, he cannot rule a born-again believer. He can oppress and suppress the believer, but he can't rule them. He only have rule over them that hasn't became subject to God and His Son.

God has given power to the believer through the Spirit of God that lives in us. God has blessed the born-again believer to sit in heavenly places with Christ, now that's Awesome!

God is everywhere at one time. He's in each born-again believer, then He sits on the throne in heaven while a part of Him indwell us. When everyone is praying, He's hearing every prayer. He can take nothing and

make something, now that's Awesome!

God is God and we can't explain how He came into existence, but when you have had an encounter with Him, you will know that He is God and besides Him there is no other god Greater than our God.

No other god can raise the dead. God is the God that resurrect the dead, and heals the sick and diseased. He's the God that created Himself and spoke the world into existence. He's the God that created life and everything that exist.

He's the God that has authority over all flesh and spirit, but because He made us with a free will, He doesn't go over our will, that's Awesome!

He's the beginning and the ending. He's the one that brings us to life and He's the one we meet at the end of life.

### **Revelation 1:8**

**I am Alpha and Omega, the beginning an the ending, saith the Lord, which is, and which was, and which is to come, the Almighty.**
