## I AM THAT I AM

- By Evangelist Carolyn A. Luke

### Exodus 3:14

And God said unto Moses, I AM That I AM: And He said, Thus shalt thou say unto the children of Israel, I am hath sent me unto you.

Moses was commissioned by God to return to Egypt to deliver His people from the bondage of the Egyptians. Pharaoh was afraid the Israelites were continuing to multiply and he felt one day they would organize and threaten his kingdom. So he made them slaves to kill their spirit and to stop their growth, but the more they were afflicted the more they grew.

Moses had seen how the children of Israel had been treated, and to go back and tell them the God of their fathers had sent him wasn't enough. He needed something to get their attention to listen and to give them faith. God instructed

Moses to tell them, "I AM THAT I AM". In other words, God was telling them "I am what you need me to be, I am the God of more than enough now and forever".

The children of Israel probably thought because of the length of time they had been calling out to God and hadn't received an answer that He probably had forgotten them. They didn't realize not only their prayers, but the prayers of their forefathers had reached the throne of Grace, and God was on His way to deliver. The prayers of the saints availeth much. They may not be answered instantaneously, but they shall be answered, because the God we serve answers prayers! He's a God that will not forsake His people. He's long-suffering with His people even when they disobey His word, but when they repent and return to Him, He will always be there to deliver.

#### **Matthew 7:7**

**Ask, and it shall be given you;  
seek and ye shall find; knock and  
it shall be opened unto you.**

Whatever you need God to be, He will be that, but you have to first seek Him to find out what He will be to you and for you. Many are running here and there seeking counseling from psychics, fortunetellers, palm readers, tarot card readers, and spiritualists. They're in worse shape now than when they first started seeking because they

are seeking counseling from Satan's agents. We cannot reach God through the very things He instructed us not to seek after.

#### **Deuteronomy 18:10**

**There shall not be found among  
you any one that maketh his son  
or his daughter to pass (burned  
as an offering to an idol)  
through the fire or that useth  
divination, or an observer of  
times, or an enchanter or a  
witch, or a charmer or a  
consulter with familiar spirits, or  
a wizard, or a necromancer.**

Many Christians are in trouble spiritually because they're seeking other gods that can't help or deliver them from their dilemma. God is the God that is more than enough, He's the God that can supply the need. Many are professing Christianity, but they haven't been sanctified into the Lord. He will become Jehovah-M-Kaddesh, the Lord who sanctifies if you desire to be set apart and committed to Him.

In today's society many are fearing because of the economic crisis, but it shouldn't be in the Christian community because the God we serve is the God of creation. He's the God of today, tomorrow and the future!

#### **Jeremiah 29:11**

**For I know the thoughts that I  
think toward you, saith the Lord,  
thoughts of peace, and not of  
evil (calamity) to give you an  
expected end.**

God didn't bring you this far to leave you. You didn't go through the trials, tribulations, shame, persecution, abandonment, mistreatment and taken for granted and didn't try to avenge yourself, but waited on God for deliverance not to come out as a conquer through Jesus Christ.

What you went through, and will be going through is to prepare you to enter into your destiny. What you went through wasn't just for you, but it was to bring someone else into the kingdom of God. Just as Jesus suffered for us, we too will suffer in order to bring others into the kingdom of God. Know that God will be Jehovah-Jireh.

He will provide the necessities to go through and accomplish the task. Stop looking at the task, people and situations and start focusing on the Shepherd who will lead and guide you into victory. If you lean not to your own understanding, but acknowledge Him, He will bring you out with the victory. There is no failure in God, if you are in Him and He is in you, you shall ask what you want and the prayer or the petition shall be given to you because God is true to His word. Never allow doubt to outweigh God's word.

God is seeking faithful people, and as we are faithful to Him, He will be faithful to us. The Bible instructs us that there will be many trials and tribulations in the believer's life.

Acts 14:22

Confirming the souls of the disciples, and exhorting them to continue in the faith, and that we must through much tribulation enter into the kingdom of God.

People of God we will not know what God can do for us unless we go through different situations. Know that it's to add to your faith, virtue, knowledge, temperance, patience, godliness, and brotherly kindness and love.

If you need a counselor, Jesus will be One. You can tell Him everything that you're going through, been through and need a breakthrough! He is the One that will listen, and once He listens, He can bring you through your dilemma. Too many times we go to friends and family to tell them about our situations rather than going to the problem Solver.

Every storm that will come in our life, if we have Jesus onboard, He will take us through the storms of life. As Christians we must learn how to endure hardship as a good soldier of Jesus Christ. Whatever storm that has come your way, God already knew it prior to it coming to you. Just as the Military train their soldiers for war, the things that we been through is preparing us to fight the enemy and not individuals.

We have to learn how to be as little children in order for God to be the Father He desires to be. In the natural when a child goes to the father the father listens, he weighs out the matter then makes a plan to solve the problem. Now, if our earthly father can solve the problems, why can't we go to our heavenly Father and know that He too will resolve the problem in His time frame?

The problem is, we don't want to wait on God, but in order to get the problem solved from the root, we need to go to God in prayer and pray until we see a manifestation of an answered prayer.

Matthew 21:22

And all things, whatsoever ye shall ask in prayer, believing, ye shall receive.

We need to contend for the faith that was once given to the saints of old to believe whatever we ask God according to His will and His Word, He will answer the prayer.

Too many Christians don't know what is the will of God for what their praying for, that's why it's so important to read and study the Bible to know when you're praying in line with God's word.

All prayers aren't answered instantaneously, so that means we have to wait for the answer, we're too quick to give up. We refuse to go through suffering in order to be changed into the

image of God. Suffering is not sickness as some Christians believe. Suffering comes through loneliness, financial problems, problems with your children, marriage, employment, these are types of suffering we go through, but if we place our trust in God, He will always provide, and protect His children.

God knows how much we can bear, and He will not allow any more to come upon us than we can bear. Only God sees what's going on in the heart, mind and spirit when we're going through difficulties. This is why He's trying to change our thinking, change our belief system.

We will only exemplify the Father and the Son when we allow them to take us to the Potter's House so that they can rearrange our thinking, our desires, attitudes, and character as well as our submission to the word of God.

We will never know that we have faith if we never been in a situation that we needed faith to come through. Faith isn't just on one level, it's in degrees. Keep in mind the God we serve is the God of increase, but He will allow subtraction to come to our lives of things and people that is hindering our spiritual growth.

God wants our faith to increase and in order for us to receive the increase, we must go through a process for our faith to increase and that comes through trials and tribulations. Faith and spiritual growth comes not only by hearing the word, but through difficulties.

Many Christians are bound by pornography, fornication, adultery, nicotine, pride, envy, jealousy, drugs, alcohol, and a number of other ungodly behaviors, and is in need of help, but denying they have a problem. God still heals and delivers, but in order to get the help we need, we must be truthful to ourselves. God already knows when we are in need of help, He's just waiting for us to ask Him for help.

Counselors, psychiatrists and rehabilitation centers can fix the symptoms, but they can't heal and deliver you from the root of the problem the way God can. There is nothing you can be bound by that God can't set you free from it, but you have to want to be set free. God will never overstep your will. No matter what you do, it will not stop God from loving you, but it will stop Him from being your Father, sin brings a disconnection as it did in the Garden of Eden with Adam and Eve.

Too many times, people will believe just because God loves you, He will not discipline or He will not allow one to die and go to hell. If that's the path the person chose, God loves them enough to allow them to send themselves to Hell. He didn't place them there, they chose for themselves to go there. He has made us free-will agents, we chose where we will spend eternity. We can't fault God for our behavior and the consequences of our behavior.

Just as God delivered the children out of Egypt, He can deliver you from your Egypt, if you allow Him. God will give you peace that will surpass all human understanding, no matter what you're going through when you have the Son of God dwelling in your being. If you're in need of deliverance, God will deliver you from people,

things and places you can't deliver yourself from. You will not have to attend a twelve step plan or try to avenge yourself, let God be your deliverer!

**John 14:27**

Peace I leave with you, my peace I give unto you: not as the world giveth, give I unto you. Let not your heart be troubled neither let it be afraid.

In this life we will have many trials and tribulations whether we're saved or not, we will be going through something. The task is will we be able to survive what we're going through without losing our minds, can we still live a godly life, can we show love when we have been wronged? We can only do this by the Spirit of God dwelling in us.

Many of us have some "Red Seas" that need to be parted for us to get to our destiny. Just as God parted the Red Sea for the children of Israel, He will part your Red Sea. Too many times we try to do things on our own, so God steps back and allow us to do it our way, and usually our way is the wrong way. God will allow another person to give us the answer we're looking for without us mentioning to the person what's going on with us.

When God doesn't give us direct instructions Himself, He will use people to get the message to us. We must not lean to our understanding, but wait on God to give us direction and instruction. He knows our present as well as our future.

**Proverbs 3:5-6**

Trust in the Lord with all thine heart; and lean not unto thine own understanding. In all thy ways acknowledge Him, and He shall direct thy paths.

# Our Prayer

Heavenly Father, we come before You in the name of Jesus, and we come repenting for any sins we have committed against You and we're asking You to forgive us. According to Your word, if we confess our sins, You are faithful and just to forgive us of our sins and to cleanse us from all unrighteousness. We repent, and we confess our sins to You, cleanse us from the sin that is hindering and blocking our prayers. Search our hearts, and purify it, purify our thoughts, purify our spirits, purify our motives.

We ask in Jesus name, make us vessels of honor, make us vessels You can use anytime and anywhere. Increase our love for You and for each other, we pray for Your will to be done in earth, in us, as it is in heaven.

All these prayers we ask in Jesus name, and we thank You Father for answering every one of these prayers, Amen!
